**Re:** Request for Information from FY2021 Department Budget Hearing

The following information is provided in response to questions posed at the capital budget hearing held on November 5, 2020 to discuss the FY2021 Executive Budget Recommendation.

### **I. Request ID# 11569-01**

Commissioner Anaya asked what the \$150,000 amount identified as an allocation for the Prieto Health Clinic in the CIP budget reflected on page 170 is for?

#### **Response:**

The project will stabilize the existing asset that has experienced water infiltration that damaged walls and flooring in the basement. The cause is associated with improper site drainage from the adjacent parking lot. The project will divert drainage away from the building.
